IMPORTANT

The stage must have a hard surface appropriate for dancing.
 If the stage is made of cement or is carpeted,
 please cover with plywood or a similar product.

Approx. 12 feet (3.5 m) long X 8 feet (2.5 m) wide X 3/4 inch (18.5 mm) thick

Please supply all cabling including 6 - 1/4" to 1/4". Run all instrument cables behind the chairs.
 Run front floor mic., vocals and monitor cables along front edge of stage. (This allows cable-free floor space for dancing.)
